

December 2009

Published 16 January 2010

We keep talking about busy months and yes nothing has changed, it seems if you provide a great product at a great price business will always be good, well that's what our customers tell us. So, what's happened in December, lots, we go on about politics but no I think not lets talk about our biggest site to date. We have completed and delivered the europacoln web site we spoke about last month, europacoln is the voice of the European colorectal cancer community. Its aim is to save lives by bringing together all key stakeholders in the fight against this deadly disease which is highly treatable if diagnosed early. Our customer was delighted and I quote "As always well done and millions of thanks from us!!!!", "It looks great and TCRM have done a splendid job. I can't wait to start sending it out to all!!". So, on to the Turkey and then 2010, look out it's going to be our best year ever.

The screenshot shows the homepage of the europacoln website. The header features the europacoln logo and a commitment statement: "europacoln is committed to preventing deaths from colorectal cancer and improving the quality of life and support for those affected by the disease". Below this is a navigation menu with links like HOME, ABOUT EUROCOLN, MEMBERSHIP FOR LIFE, EDUCATIONAL CANCER, EUROCOLN, NEWS ARTICLES, PARTNERSHIPS, PATIENT INFORMATION, EU CANCER POLICY, HEALTHCARE, and MEDIA.

The main content area is titled "Colon and Rectal Cancer (colorectal cancer)" and includes a welcome message for new visitors, a brief overview of the disease, and information about europacoln as an independent not-for-profit organization founded in 2004. It also mentions that it is the first European organization dedicated to colorectal cancer and aims to unite patients, service providers, professionals, politicians, the media, and the public.

There are four featured news articles with images and titles: "Newspaper Article", "TV News Report", "Newspaper Article", and "Colorectal Cancer". Each article has a "Read More" link.

On the right side, there is a "Latest News" section featuring a photo of Jose Manuel Barroso, President of the European Commission, and several news snippets with "read more" links.

At the bottom left, there is a "Members by the Site" section showing a list of member countries with their respective flags and the number of members from each country.

The footer contains the registration number (224122), the registered office address (24 Wilton Road, Salisbury, Wiltshire, SP2 7JZ UK), and the email address (info@europacoln.com).
